-----X

Plaintiffs Sulzer Mixpac USA, Inc. and Sulzer Mixpac AG (collectively "Mixpac" or "Plaintiffs") submit this complaint against defendants CDPC, Inc. dba UC Dental, and Chong Sun Han aka Ken Han, an individual (collectively, "Defendants") seeking damages, injunctive, and other relief for trademark counterfeiting and related state claims, allege as follows:

**PARTIES**

1. Plaintiff Sulzer Mixpac USA, Inc. is a New Hampshire corporation with its principal place of business at 8 Willow Street, Salem, New Hampshire 03079.
2. Plaintiff Sulzer Mixpac AG is a Swiss corporation with its principal place of business at Ruetistrasse 7, CH-9469 Haag, Switzerland.
3. CDPC, Inc. dba UC Dental (hereafter referred to as "CDPC") is a California corporation, having a registered business address of 13640 Imperial Highway, Unit 9, Santa Fe Springs, California 90670. CDPC also does business as "UC Dental," "UC Dental Products," "SmartChoice Dental," and "www.ucdpi.com."

4. Defendant Chong Sun Han aka Ken Han (hereafter referred to as “Han”) is an individual and owner of CDPC with a business address of 13640 Imperial Highway, Unit 9, Santa Fe Springs, California 90670 and has acted together with Defendant CDPC to actively participate in, or control, the infringing activity accused herein.

### **JURISDICTION AND VENUE**

5. This court has jurisdiction over Mixpac’s trademark counterfeiting and trademark infringement claims under 28 U.S.C. §§ 1331, 1338(a) and 15 U.S.C. § 1121.

6. This court has personal jurisdiction over Defendants because they have transacted and are transacting business in this district and have sold, offered for sale, distributed, or advertised products that infringe Mixpac’s registered trademarks in this judicial district. Defendants also have made, used, imported, sold, or offered for sale in the United States, including within this judicial district, a product which infringes Mixpac’s trademarks, specifically U.S. Trademark Registration No. 3,762,232 (yellow), Reg. No. 3,762,233 (teal/green), Reg. No. 3,976,379 (blue), Reg. No. 3,976,380 (pink), Reg. No. 3,976,381 (purple), Reg. No. 3,976,382 (brown), and Reg. No. 4,051,261 (no color). Defendants have substantial and continuous contacts with New York and have committed acts of infringement in New York, including the Southern District of New York, sufficient to confer personal jurisdiction upon them.

7. Venue properly lies in this court under 28 U.S.C. §§ 1391(b) and (c) because Defendants are subject to personal jurisdiction and have committed acts of trademark infringement in this district. Defendants’ offering and selling their products in New York gives rise to proper venue as a substantial part of their infringing acts have occurred in this district.

## **BACKGROUND**

### ***The MIXPAC Three-Part Mixing System***

8. Mixpac is the exclusive manufacturer in Switzerland of a patented three-part system for mixing two-part adhesives for dental applications. The system consists of 1) a dispenser-like caulking gun, 2) a cartridge containing a two-part chemical such as an epoxy having a catalyst and a resin, and 3) a mixing tip that mixes the chemicals before they are applied for making, for example, an impression or mold for teeth.

### ***The Registered Mixing Tips' Colored Dome and Dome Mark***

9. Mixpac has since at least as early as 1997 used a distinctive dome shape and color design Mark for its mixing tips (hereinafter "Colored Dome Mark").

10. The Colored Dome Mark has been used to identify Mixpac's dental mixing system and tips.

11. Mixpac's Colored Dome Mark includes the line of mixing tips with six pleasing "candy-like" colors of yellow, teal, blue, pink, purple, and brown ("Candy Colors"). The Colored Dome Mark also includes the Dome shape apart from the color ("Dome Mark").

12. The Colored Dome Mark, Dome Mark, and Candy Colors are non-functional. They are not essential to the product's purpose, and they are not dictated by concern for cost efficiency. This is evidenced by other companies in the industry that use different designs and colors, or no colors, for their dental products, none of which include the Candy Colors, or the design features of the Colored Dome Mark.

13. The Colored Dome Mark is distinctive and identifies a single source. Additionally, over the last fifteen years the Colored Dome Mark has acquired secondary meaning as the relevant public has come to associate the Colored Dome Mark with a single

source—Mixpac. Mixpac informs the dental public to “look for” the Colored Dome Mark and informs that the Dome and Candy Colors are trademarks. Purchasers choose mixing tips based on the Colored Dome Mark, Dome Mark, and Candy Colors.

***The Colored Dome and Dome Mark U.S. Trademark Registrations***

14. Mixpac was awarded seven U.S. Trademark Registrations for the look of the mixing tips: U.S. Trademark Registration No. 3,762,232 (yellow), Reg. No. 3,762,233 (teal/green), Reg. No. 3,976,379 (blue), Reg. No. 3,976,380 (pink), Reg. No. 3,976,381 (purple), Reg. No. 3,976,382 (brown) (“the Colored Dome Trademark Registrations”), and Reg. No. 4,051,261 (shape only - no color) (the “Dome Trademark Registration”). Copies of the registration certificates are attached as **Exhibit A**. The Colored Dome Trademark Registrations and the Dome Trademark Registration are prima facie evidence of the validity of the marks and registration of the marks, and Mixpac’s exclusive right to use the marks in connection with mixing tips.

***Defendants’ Counterfeit Mixing Tips***

15. Defendants have capitalized on the success of the Mixpac mixing tips by copying the distinctive Colored Dome Mark, Candy Colors and the Dome Mark to intentionally confuse purchasers into believing the counterfeit products are manufactured or licensed by Mixpac (“Counterfeit Mixing Tips”). Attached as **Exhibit B** is an image of Defendants’ Counterfeit Mixing Tips.

16. Defendants’ mixing tips are counterfeit as they are spurious and are identical with or substantially indistinguishable from Mixpac’s Colored Dome Mark and Dome Mark as shown in the Colored Dome Trademark Registrations and the Dome Trademark Registration.

17. Defendants' copied mixing tips are of lesser quality and safety and reliability, and threaten Mixpac's reputation in its product, to the detriment of Mixpac and the public.

18. Defendants make, use, offer for sale, sell, or import, market, distribute, or sell products that infringe the Mixpac Colored Dome Mark under the name "House Brand."

19. Defendants have engaged in a common enterprise using multiple seller names, addresses, and websites to sell counterfeit dental mixing tips. Defendants offered counterfeit "House Brand" mixing tips on the websites [www.ucdpi.com](http://www.ucdpi.com) and [www.net32.com](http://www.net32.com) under the names "UC Dental Products" and "SmartChoice Dental." "House Brand" counterfeit products were purchased from the seller UC Dental on [www.ucdpi.com](http://www.ucdpi.com), and Defendant Han, owner of CDPC, mailed the "House Brand" products to the purchaser in New York. Defendants also sold "House Brand" products as the seller "SmartChoice Dental" on [www.net32.com](http://www.net32.com), and Defendant Han mailed "House Brand" products to the purchaser in New York.

***This Court Has Entered Several Restraining Orders, Consent or Default Judgments, and Injunctions Which Confirm the Validity and Infringement of the Colored Dome Mark, the Dome Mark, and the Candy Colors***

20. In *Sulzer Mixpac v. TPC Advanced Technologies, Inc.*, 08 Civ. 10364 (DC), this Court entered a Temporary Restraining Order against further infringement of the Colored Dome Mark on December 1, 2008, and the Court later entered six consent or default judgments which confirm the validity and infringement of the Colored Dome Mark. On November 30, 2009 in *Sulzer Mixpac v. Ritter GmbH, NSJ and Peng Waves*, 09 Civ. 9705 (DAB) the Court issued a TRO, followed by the issuance of a Preliminary Injunction on December 14, 2009, and later a default judgment confirming the validity and infringement of Mixpac's Colored Dome Mark. In *Sulzer Mixpac USA v. Purelife Gloves, LLC*, 09 Civ.

10430 (DAB) and *Sulzer Mixpac USA v. Crown Dental Supply et al.*, 10 Civ. 8911 (DAB), the Court entered consent judgments further confirming the validity and infringement of the Colored Dome Mark on May 10, 2011 and April 21, 2011, respectively. Further, in *Sulzer Mixpac USA v. Rainbow Specialty & Health Products (USA) et al.*, 12 Civ. 6970 (RJS), *Sulzer Mixpac USA v. UC Dental Products, Inc. dba Happystone Dental Supply* 12 Civ. 7863 (LTS), and *Sulzer Mixpac USA v. Spident USA, Inc. and Spident Co., Ltd et al.*, 12 Civ. 8563 (PAC), the court entered consent judgments confirming the validity and infringement of the Colored Dome Mark on November 21, 2012, November 27, 2012, and January 23, 2013, respectively.

28. Defendants have misleadingly used, and continue to use, a confusingly similar trade dress to the Colored Dome Mark and Dome Mark as shown in the Colored Dome Trademark Registrations and Dome Mark Registration, which is likely to cause confusion, to cause mistake, and to deceive as to Defendants' affiliation, connection, association, or sponsorship with Mixpac.

29. Defendants' acts are calculated to deceive, or are likely to deceive, the public, which recognizes and associates the Colored Dome Mark and the Dome Mark with Mixpac. 31. Defendants' infringement is willful and with notice of Mixpac's trademark registrations.

33. Mixpac realleges and incorporates herein by reference the allegations in paragraphs 1 through 32 of its complaint.

34. Defendants' mixing tips use the Colored Dome Mark, Candy Colors, and Dome Mark in such a way as to unfairly compete in the marketplace by drawing a false association between Defendants' products and Mixpac including offering Counterfeit Mixing Tips on the websites [www.ucdpi.com](http://www.ucdpi.com) and [www.net32.com](http://www.net32.com) under the name "House Brand" and/or "SmartChoice Dental" and/or "UC Dental Products."

36. Defendants have violated and, upon information and belief, intend to continue to willfully, knowingly, and intentionally violate 15 U.S.C. § 1125(a) by their unlawful acts in a manner that is likely to cause confusion, mistake or deceive as to the nature, characteristics, or qualities of their goods, services, or commercial activities.

As a result of Defendants' wrongful conduct, Mixpac is entitled to injunctive relief, Defendants' profits, damages, and attorney's fees and costs.

## **COUNT VIII**

### **COMMON LAW UNFAIR COMPETITION**

69. Mixpac realleges and incorporates by reference the allegations in paragraphs 1 through 68 of its complaint.

70. Defendants' acts and uses constitute unfair competition under common law.

71. Defendants adopted their trade dress in bad faith as they knowingly, willfully, and intentionally copied the shape and colors of Mixpac's product to trade off Mixpac's labor, expenditures, and good will.

72. Defendants' mixing tips utilize the Colored Dome Mark, Candy Colors, and the Dome Mark in such a way as to unfairly compete in the marketplace by drawing a false association between Defendants' products and Mixpac.

73. Defendants have made false designations of origin and false or misleading descriptions or representations of fact in commercial advertising or promotion which misrepresent the nature, characteristics, or qualities of another person's goods, services, or commercial activities.

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL  
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE  
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

**First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

**Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.\*  
*See* 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or reminder of these filing requirements.**

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.
